\* Sunday Club,

Many thanks for being willing to help with this. If you are down for a date when you're not available could you try and swap, change the Rota in the Rota Folder and, if possible, let the Duty Team Leader know?

When JIGSAW is on please tidy up during the Prayer of Intercession and leave as soon as the final hymn starts so that they can use the Mary Slessor to finish off without being disturbed by those coming through after the service for coffee or setting up the Bread & Soup Lunches.

We now have two purple bags of games equipment that can be used for Sunday Club as well as the parachutes. If you're on duty it might be an idea to look them out before the start of the service.

For clarification, all children should be brought back to their 'adults' in the David Livingstone during the final hymn
