

Welcome Team

Thank you for continuing to be part of the Welcome Team on a Sunday morning. This is an important role, as warm friendly words and a smile can really make people feel welcome when they arrive at our church.

You are part of the existing duty teams and should report to the team leader at 10.20am, on the Sundays when you are welcoming.

If you are unable to come to church on any of your duty days, please arrange to swop with another member of the Welcome Team.
