Intimations – September 2026

September Retiring Offering

Scripture Union Scotland (SU Scotland) is a Christian charity that partners with local churches to help children and young people explore the Bible and respond to Jesus. They work in schools, run residential holidays, and offer community and training programs, with the vision of seeing every child and young person in Scotland explore the Bible and the significance of Jesus. The organisation is part of a global Scripture Union movement and is driven by core values of dependence on God and deepening relationships.
